

PRESS RELEASE – FOR IMMEDIATE DISTRIBUTION
AUGUST 2018

JEFFREY DEHAAN NAMED TO EDGAR FELLOWS CLASS OF 2018

Clearwater Capital Partners is pleased to announce that Jeff DeHaan has been selected as one of 40 leaders from throughout the state of Illinois to participate in the 2018 Edgar Fellows program. The Edgar Fellows program is a 5 day executive leadership program that will be held August 5th-9th.

“I’m excited and honored to have the opportunity to participate in this forum and to become acquainted with the other members of my class” DeHaan said. “Our state has many challenges ahead of it, but also has many resources and opportunities. I look forward to collaborating with my diverse colleagues in this program and learning from their unique perspectives.”

The goal of the Edgar Fellows program is to develop leadership and governing capacity in Illinois. Among their teachers are Governor Edgar and others who have excelled in the public arena— practitioners as well as researchers and scholars. The fellows learn about leadership skills, strategies and expectations through sessions designed to inform and inspire. In addition to the in-person program, the participants are afforded opportunities to continue their education through social networking and other forms of high-tech communication. They also are invited to join sessions designed to brief them on crucial policy issues.

John Chapman, CEO of Clearwater Capital said “We are proud to see Jeff’s continued community involvement. His expertise and character make him an excellent fit for this leadership program. We look forward to benefitting from the perspectives he’ll bring back to the firm and our clients. ”

About the Edgar Fellows Program

The Edgar Fellows Program focuses on developing leadership and governing capacity in Illinois. It emphasizes the need to forthrightly address major policy issues without permitting partisan, ethnic and regional rivalries to trump statesmanship. It is designed to influence attitudes and foster mutual understanding. It holds the promise of facilitating bipartisan and cross-regional cooperation as class participants assume more influential public leadership roles. Edgar Fellows participants participate in an intensive five-day executive leadership training program on the campus of the University of Illinois at Urbana-Champaign.
