JEFF DEHAAN NAMED CAMPAIGN CHAIR FOR UNITED WAY OF GREATER MCHENRY COUNTY

Clearwater Capital Partners, LLC is pleased to announce that Jeff DeHaan has been named chairman of the 51st annual United Way of Greater McHenry County Campaign. The 2017-18 campaign for McHenry County kicks off Sept. 13 with a breakfast rally, followed by a year of events and activities at local businesses that support the nonprofit's mission, according to a news release from the organization.

"I'm excited and energized to take on the role of campaign chair this year, and look forward to being able to directly impact those in need in our county," DeHaan said. "We are blessed to live in such a wonderful community, filled with compassionate and caring individuals wanting to help their neighbors in need."

United Way of Greater McHenry County helped more than 91,900 people in 2016 and has raised more than \$52 million for the county in the past 50 years.

"We all know that the state's budget crisis has put a major stress on many of our community's nonprofits," DeHaan said. "It's never been more important to give where you live than it is today, and I'm honored to be able to help play a role in that." United Way of Greater McHenry County is a nonprofit organization that focuses on raising awareness and funds for 30 local health and human service agencies in the areas of health, financial stability and education.

John Chapman, CEO of Clearwater Capital said "We are proud to see Jeff's continued community involvement. His expertise and character put him in a unique position to serve in such an important role in the United Way's campaign."

"United Way plays a critical role in allocating those generous donations to the area's most in need, and then monitoring those donations to be sure they are being used to benefit our local community members," DeHaan said.
